INVESTMENT STRATEGY

The **smn** Diversified Futures Fund is a fully systematic Managed Futures Fund (CTA). The fund broadly diversifies its investments in liquid futures contracts traded at the most reputable financial and commodity markets around the globe. The fund's investment strategy seeks to generate investment returns in rising and falling markets

through its medium to long-term trend following approach based on technical trading models with an integrated systematic risk management. Through their low correlation to traditional asset classes, Managed Futures Funds are an excellent diversifier in a portfolio context.
